Sorry – I'm out of the office and just checking emails. Did someone call you regarding this? You can call me now if you would like at 651–343–4660. My Connor is flying back from Baghdad right now and should be in the office tomorrow morning

Hi Mike,
I want to introduce you to Mathy Stanislaus Assistant Administrator for OSWER that oversees superfund and emergency response. Mathy would like to contact you to discuss possible assistance on the Gold King Mine discharge.

Shaun
